Join us at the magnificent Georgia Aquarium for our first evening of fun networking. With more than eight million gallons of fresh and marine water, and more than 100,000 animals of 500 different species, you're sure to be amazed by sights you've never seen before!

At the time of its opening in November 2005, the Georgia Aquarium was the world's largest, encompassing 550,000 square feet of covered space. The facility includes 328 tons of acrylic windows, 290 plumbing fixtures, 200 floor drains, 53 roof tops, 61 miles of wires and pipes, and 100,000 yards of concrete.

Look forward to a unique menu prepared by Wolfgang Puck Catering, and an unforgettable night in a truly remarkable venue

Celebrating 30 years of service and dedication to the facility management profession

Sponsored by ISS Facility Services

This is our year to celebrate—let's toast our achievements together at the 2010 Awards of Excellence Banquet!

Held in the Georgia World Congress Center, the IFMA Awards of Excellence Banquet is our final night together in Atlanta. It is traditionally an evening of celebration, made even more special this year as we commemorate 30 years of excellence as your association.

The evening includes dinner and an awards presentation, which honors those whose vision and accomplishments have contributed to the advancement of facility management. Stay and dance 'til midnight—we promise your coach won't turn into a pumpkin...or a Georgia peach. Black-tie preferred.
